PRESS RELEASE

50 Years of Kieback&Peter in Hamburg

Hamburg, 01.06.2024 - On 1 June 2024, the Hamburg branch of Kieback&Peter celebrated its 50th anniversary. Around 100 employees, partners and former colleagues gathered at the Sonnendeck in St. Pauli to mark this special occasion.

Regional and Branch Manager, Jörg Guse, opened the festivities with a review of Kieback&Peter's 50 years of success in Hamburg. The evening was marked by good food, delicious cocktails and lively conversation, which the guests clearly enjoyed.

A highlight of the event was the performance of Hamburg-based artist and comedian Jens Ohle, who provided a lot of laughs and top-notch entertainment. Anecdotes from some colleagues also contributed to the happy atmosphere.

Jörg Guse emphasized: "After Hannover in 2023, our Hamburg office is now celebrating its 50th anniversary. I am very proud of our team. Together we have realized great projects and achieved a lot in this city.

Kieback&Peter would like to thank all customers, business partners and employees for their support and confidence in the company. The 50th anniversary of the Hamburg office is a significant milestone and motivation to continue to provide excellent services and to actively shape the future of building automation.

Responsibility and Future

Kieback&Peter is aware of its responsibility to continue to provide networked and digital solutions and excellent customer service at over 30 locations throughout Germany. The anniversary of the Hamburg office serves as an incentive to maintain this commitment and to make the next 50 years just as successful.

About Kieback&Peter

As a Smart Building Solutioneer, Kieback&Peter GmbH & Co. KG combines intelligent building technology, data-based services, and multiple synergy effects to create sustainable solutions. Founded in 1927 in Berlin, the family-owned company with approximately 1,500 employees and 50 locations worldwide thus secures and expands the value of buildings and business models. The result is a real-terms gain with regard to climate and health protection, safety, and social participation.

Kieback&Peter takes care of prestigious national and international projects such as the Cube in Berlin, Charles de Gaulle Airport in Paris, and the Mercedes-Benz engine plant in Beijing.
