PRESS RELEASE

Symphony of culture & climate protection: Kieback&Peter is the new Premium Partner of the Gewandhausorchester Leipzig

Berlin, 23 October 2024: The expert in intelligent building automation, Kieback&Peter, has been a new Premium Partner of the renowned Gewandhausorchester since the new 2024/2025 season and is providing significant support to the Gewandhaus zu Leipzig in promoting energy efficiency.

The company will equip the Gewandhaus with innovative solutions in the field of building automation. The aim is to create a perfect symbiosis of tradition and modern technology and to equip the concert hall for the future with sustainable and energy-efficient systems, thus making its operation more resource-efficient and environmentally friendly.

« The music of the Gewandhaus Orchestra touches people all over the world - we are proud to be able to accompany this unique cultural institution on its path to an innovative and sustainable future, » explains Christoph Ritzkat, Managing Partner of Kieback&Peter. « Culture and technology go hand in hand in this partnership in order to offer both the outstanding artists and the audience an optimal experience and at the same time make a significant contribution to climate protection. »

Niels Bohndorf, Head of the Leipzig / Magdeburg branch at Kieback&Peter, adds: « With our intelligent solutions, such as the holistic CO2 reduction roadmap, we help to optimize existing systems in terms of energy efficiency and make building operations sustainable. In this way, the cooperation ensures that not only does the music sound great in the Gewandhaus, but that the energy balance also stays in sync. »

Christian Fanghänel, Head of Fundraising, Gewandhausorchester Leipzig: “Thanks to the support of Kieback&Peter as a Premium Partner, we can not only create

extraordinary musical experiences for our audience, but also make an important contribution to environmental protection. Modern building technology helps us to operate our building sustainably and energy-efficiently. In this way, the great tradition of the Gewandhaus is brought into harmony with the needs of the future.”

The partnership between Kieback&Peter and VfL Wolfsburg goes beyond the modernisation of the Volkswagen Arena. It is complemented by jointly planned educational and awareness-raising initiatives. Fans, partners and the general public will be sensitised to the issue of climate and environmental protection as part of the Climate Match Day.

About the Leipzig Gewandhaus Orchestra

Founded in 1781, the Gewandhausorchester is one of the most traditional orchestras in the world. It stands for musical excellence and has shaped cultural life far beyond Leipzig for over two centuries. With its diverse repertoire, it delights audiences worldwide under the direction of renowned conductors. The orchestra is known for its historical performances as well as its contemporary interpretations.

About Kieback&Peter

As a Smart Building Solutioneer, Kieback&Peter GmbH & Co. KG combines intelligent building technology, data-based services, and multiple synergy effects to create sustainable solutions. Founded in 1927 in Berlin, the family-owned company with approximately 1,500 employees and 50 locations worldwide thus secures and expands the value of buildings and business models. The result is a real-terms gain with regard to climate and health protection, safety, and social participation.

Kieback&Peter takes care of prestigious national and international projects such as the Cube in Berlin, Charles de Gaulle Airport in Paris, and the Mercedes-Benz engine plant in Beijing.
